Figueira da Foz - The Cruise Port of Central Portugal

Located on the coast of the Central region of Portugal, Figueira da Foz has a unique natural beauty, historical and cultural heritage, flavor and gastronomic wealth, people with human warmth and quality of life inviting to those who want to discover it.

Those who know the secrets of the city confirm that it is a treasure that increasingly deserves everyone's attention. With urban and semi-wild beaches, possessing extensive sand and waves, terraces and restaurants by the sea and river, casino, a stunning and long marginal, salt pans and a Museum Center of Salt and Sea, Figueira da Foz breathes culture and tradition.

The Serra da Boa Viagem route offers Jurassic remains and a viewpoint over the city with stunning views. But the cruises in Figueira da Foz are much more than that! An hour's drive away you can easily reach Aveiro, Bussaco, Coimbra, Fátima, Leiria, Nazaré and many other fantastic places to visit in the central region of Portugal!

Nature, culture, historical and religious sites, gastronomy, wines and charming people await you.
